

A NEW QUARTERLY JOURNAL
Journal of Phytonanotechnology and Pharmaceutical Sciences
Articles are invited for first issue

The 'Journal of Phytonanotechnology and Pharmaceutical Sciences' is aimed at everyone working in the major and related fields of Phytomedicine, Phytonanotechnology and Pharmaceutical Sciences.

We invite submission of articles for publication in the inaugural issue of 'Journal of Phytonanotechnology and Pharmaceutical Sciences'. The journal will publish article types including: Original research articles, review articles, clinical trials and case reports. All manuscripts will undergo a rigorous review process by the National and International reviewers. Submission must be well researched, informed and demonstrate familiarity with the relevant literature, concept and theoretical perspective in the area of the study.

The benefits you can avail by your submission of article to the Journal are multiple:

- The journal will be with e-print ISSN.
- The journal is 'Open Access'.
- Rigorous peer-review helps to evolve the best version of your research writing.
- Publication on acceptance by immediate in the next issue of 2021.
- Copyright of your article to be retained by you.
- Each article will be assigned by 'doi' number of CrossRef.

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Conference papers may only be submitted if the paper has been completely rewritten and if appropriate written permissions have been obtained from any copyright holders of the original paper. Prospective author(s) should submit their complete manuscript online via email attachment to ukaaz@yahoo.com

Publication fee

- Rs. 3500/- per article from India.
- USD \$100 per article from Overseas countries.

Plagiarism

- We require more than 80% Unique Data for publication.

For more information about the journal and to submit your article, please visit our website,

<http://www.ukaazpublications.com/publications/> and to resolve your queries, you can put an email to ukaaz@yahoo.com

It will be our privilege to receive your positive response and look forward to receiving your articles.

Best regards
